

European Commission Directive 2006/122/EG of 12 December 2006 regarding PFOS

Since the 27th of June, 2008 the PFOS – Directive (Directive 2006/122/EG of the European Parliament and the Council from the 12th of December, 2006 for the restriction of the market and the use of dangerous substances and formulations (Perfluorooctane sulfonates)) is applied.

This directive states that from June, 2008 in the products no Perfluorooctane sulfonates (PFOS) may be contained or the limit values of 0.1% of mass concentration may not be exceeded.

This directive is also obliging for the company Georg Martin GmbH.

We hereby confirm that the products of the company Georg Martin GmbH contain no Perfluorooctane sulfonates (PFOS), nor they are used to its fabrication. Therefore, all products are directive-compliant.
